- Contact your teacher and set up a day and time for your lessons. (Call the office if you need a phone number or email for your teacher.)
- Please confirm not only the day and time of your lessons but the date of the first lesson, **how many lessons are planned for the semester and how long each lesson will be.**
- Fill out the registration form and return it to the BMC with your initial payment.
- Signing up for lessons is a commitment. Please review the cancellation policy in our handbook.
