

## FINANCIAL AID

The Music School is committed to making music education accessible to as many people as possible. To this end we do significant fund raising each year to support our financial aid program. While the bulk of our aid is awarded at the beginning of each semester you are welcome to apply even if you are getting started late: we will do what we can to assist you.

In order to process your request we will need:

- A completed financial aid request form
- The \$16 (per registration) fee **plus one lesson fee** or \$65 camp deposit
- A copy of your most recent tax return or some other proof of income (see details below).
- To know what you are signing up for

Once an award has been made you are responsible for making your first payment upon receipt of the award notification. Unless prior arrangements are made with the Music School, all fees should be paid in full by the midpoint of the semester or class.

We generally do not have the resources to offer full scholarships. Awards are made based on a formula that combines the U. S. Department of Health & Human Services Poverty Guidelines, verified household income and the number of people in the household. The actual award will depend on the number of applicants and the amount the School has available in its financial aid fund. The percentages listed below are a target for us. In some instances, we can offer more but we offer these numbers for your planning purposes.

### Household Income and Aid eligibility (for family of four)

\$0 - \$22,050.....	up to 55% of tuition
\$22,050 - \$26,200.....	up to 45% of tuition
\$26,200 - \$30,530.....	up to 36% of tuition
\$30,530 - \$34,770.....	up to 27% of tuition
\$34,770 - \$39,010.....	up to 20% of tuition
