

Welcome to the Brattleboro Music Center Music School! Below is some general information about registering. More details can be found online at www.bmcvt.org/music-school.

Lesson Registrations:

The BMC asks students and faculty to consult each other for lesson schedules. You and your teacher determine the day, time, length of lesson and how many lessons to have over the course of the official 16 week semester. **You are responsible for submitting this information to the BMC office.**

- Don't have an assigned teacher yet? Contact the BMC office for placement: 802.257.4523
- Contact your teacher and set up a day and time for your lessons. (Call the office if you need a phone number or email for your teacher.)
- Please confirm not only the day and time of your lessons but the date of the first lesson, **how many lessons are planned for the semester and how long each lesson will be.**
 - o Please remember to account for weeks you know you will be traveling or otherwise unavailable **BEFORE** the semester begins. **There is only a single makeup lesson per semester.**
- Fill out the registration form and return it to the BMC with your initial payment.
- Signing up for lessons is a commitment. Please review the **scheduling policy/cancellation** in our handbook and be aware that you will owe for the total number of lessons agreed to at registration.

Payment:
